April 2008

Spotlight on: Barclay Greenmount Apartments

Construction is now complete on GBAHC's \$5.7 million renovation of Barclay Greenmount Apartments, a "scattered site" property consisting of 139 units in 80 different rowhouses throughout the Barclay and Greenmount West neighborhoods of East Baltimore. All units are affordable and supported by project-based section 8. The renovation included new kitchens and baths, lighting fixtures, new roofs, HVAC systems, security upgrades, and exterior improvements. Several units are now

handicapped compliant (UFAS), including the leasing office.

New community and office space is now available for use by the residents' association. GBAHC plans to offer services to residents in the coming months.

Spotlight: Meet the GBAHC Staff

Allison Pendell Jones, Office Manager/Project

Manager: Allison joined GBAHC in the spring of 2007. She assists the Director by providing project support and overseeing day-to-day office operations.

Prior to GBAHC, Allison was director of the Fellows Program for the DC-based Ethics Resource Center. She earned a Master's Degree in International Affairs from Florida State University, and a B.A. in International Studies, with a business concentration, from the University of Evansville.

Summer Fun Planned at Greenspring Overlook

Six-Week Program Keeps Kids Busy and Active

Twenty-four children at GBAHC's Greenspring Overlook Apartments have already registered for the onsite summer camp program this year, almost double the number of participants as last year. The camp runs weekdays from 10 a.m. to 4 p.m., June 23rd to August 1st, and is free for Greenspring residents. The children will enjoy games and crafts, outdoor play, nutritious breakfast, lunch and snacks, and enriching activities that keep them busy and engaged while their parents work.

Four Baltimore City youth workers will help with the program this year, including one Greenspring resident. Another resident will complete her service learning hours by shadowing the youth workers and assisting with administrative tasks.
