Despite Downturn, AHC Continues to Move Forward

AHC continues to explore affordable opportunities in the region

Despite the recent downturn in the real estate market, AHC continues to explore acquisition opportunities throughout the region, focusing on the continuing need for good, affordable housing.

Current projects are moving forward, including the Macedonia Apartments, a new 36-unit four-story affordable apartment complex in Nauck that is expected to begin construction in late spring of 2009. AHC Residents Celebrate Thanksgiving

Hundreds of children and parents gather at AHC community centers

More than 500 children and their families celebrated Thanksgiving at AHC's community centers around Arlington. Staff prepared turkeys and all the traditional holiday fixings, including potatoes, vegetables, stuffing, gravy and lots of desserts. Many thanks to the DC Food Bank for much of the food, and to everyone who helped make the dinners so successful.
